**CORSA® PERFORMANCE TO HOST  
ANNUAL CORVETTES AT CORSA CAR SHOW IN JULY**

BEREA, Ohio – CORSA® Performance and Corvette Cleveland car club will host the 12<sup>th</sup> annual Corvettes at CORSA Car Show from 10 a.m. to 3 p.m. Sunday, July 27, 2014, at CORSA Performance headquarters in Berea, Ohio.

The free event attracted more than 200 participating vehicles last year and provides a fun day of music, food, Corvette-related vendors, raffles and door prizes for the general public. The event also raises money for OhioGuidestone, a Berea-based nonprofit organization that supports children, families and communities.

The theme for this year's event is Stingray: Now and Then with people's choice trophies awarded for the most popular Corvettes.

CORSA will offer an exclusive show only discount on air intake and exhaust systems with free installation during the show. For more information call 440-891-0999 to speak with a CORSA representative. Tours of the company's 58,000-square-foot manufacturing facility will take place from 11 a.m. to 1:30 p.m. with CORSA engineers on hand to answer questions.

"Each year we enjoy partnering with Corvette Cleveland to bring car enthusiasts and the public together for a fun day to benefit a local charity," said Craig R. Kohrs, vice president and general manager CORSA Performance, TMG Performance Products. "It's a chance for us to celebrate the ingenuity of this classic American sports car and share the exceptional design and engineering expertise that our company provides for Corvette owners."

Every Corvette model year will be represented at the event, according to Jim Drabik, Corvette Cleveland member and event organizer. “Each year our club looks forward to displaying Corvettes that span the decades,” said Drabik. “It’s a day of camaraderie for our more than 130 members and we enjoy raising money for charity.”

Attendees will have a chance to win a CORSA exhaust, a CORSA carbon fiber air intake for the C6 Corvette, a Fisher Price® Power Wheels® battery operated Corvette for children ages 3-6, and a set of Goodyear tires. A 50/50 raffle will also take place with proceeds going to OhioGuidestone.

Corvette owners wanting to participate in the show are encouraged to pre-register at [www.corvettecleveland.org/corvettes\\_at\\_corsa.htm](http://www.corvettecleveland.org/corvettes_at_corsa.htm). The entry fee is \$10, some of which will also be donated to OhioGuidestone.

In addition to Corvettes, CORSA manufactures exhaust systems for late model Chevrolet, GMC, Cadillac, Ford, Chrysler, Dodge, BMW and Jeep vehicles.

### About Corvette Cleveland

Established in 1957 Corvette Cleveland, Inc. is one of the oldest Corvette clubs in the country. The non-profit organization was a founding group in the National Council of Corvette Clubs (NCCC) and has more than 100 active members.

### About CORSA Performance
